*"Small, quiet, and confused;
that's how I started CYD.*

*Overlooked, talked about, and
doubted; that's how I started
high school. Throughout my
life, new beginnings have never
really worked in my favor. But
now, 6 years later things have
changed for the better. I am
no longer the small and quiet
little boy I once was. Today I am
strong, smart, and focused.*

***CYD gave me the push I
needed.** With their help, I know
I will become somebody and be
able to stand on my own two
feet. I know I will become a
strong person and be all that I
can be. From this point on in my
life I will not allow anyone to
hold me back or slow me down
from achieving my dreams.*

- Ta'Varis Reynolds,
CYD Graduate
